

Class Schedule for Special Program Students (Spring-2021),  
Graduate School of Engineering and Science

Correction of Misprints (as of April 15th, 2021)

Date of Revision	Program	Course	Course Code	Name of Course	Name of Instructor	Part of Revision	Before	After (Correct)
April 9, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering		Dissertation I on Interdisciplinary Intelligent Systems Engineering	Ono, H.	Course Code	R00477011	R00477021
April 9, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering		Dissertation I on Interdisciplinary Intelligent Systems Engineering	Wada, T.	Course Code	R00477011	R00477031
April 9, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering		Dissertation I on Interdisciplinary Intelligent Systems Engineering	Kang, D.	Course Code	R00477011	R00477041
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00642011	Special Educational Training	Senjyu, T.			The instructor decided to open this class in this semester.
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00642071	Special Educational Training	Wada, T.			The instructor decided to open this class in this semester.
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00642081	Special Educational Training	Kang, D.			The instructor decided to open this class in this semester.
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00683011	Special Field Works	Senjyu, T.			The instructor decided to open this class in this semester.
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00683071	Special Field Works	Wada, T.			The instructor decided to open this class in this semester.
April 12, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00683081	Special Field Works	Kang, D.			The instructor decided to open this class in this semester.
April 13, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00642061	Special Educational Training	Ono, H.			The instructor decided to open this class in this semester.
April 13, 2021	Special Doctoral Program	Interdisciplinary Intelligent Systems Engineering	R00683061	Special Field Works	Ono, H.			The instructor decided to open this class in this semester.
April 15, 2021	Special Doctoral Program	Material, Structural and Energy Engineering		Special Educational Training	Castro, J. J.	Course Code	R00558011	R00558042
April 15, 2021	Special Doctoral Program	Material, Structural and Energy Engineering		Special Field Works	Castro, J. J.	Course Code	R00643011	R00643042

Class Schedule for Special Program Students (Spring-2021),  
Graduate School of Engineering and Science

Correction of Misprints (as of April 15th, 2021)

Date of Revision	Program	Course	Course Code	Name of Course	Name of Instructor	Part of Revision	Before	After (Correct)
April 15, 2021	Special Doctoral Program	Material, Structural and Energy Engineering	R00558011	Special Educational Training	Castro. J. J.	/	/	The instructor decided to open this class in this semester.
April 15, 2021	Special Doctoral Program	Material, Structural and Energy Engineering	R00643011	Special Field Works	Castro. J. J.	/	/	The instructor decided to open this class in this semester.
April 15, 2021	Special Doctoral Program	Material, Structural and Energy Engineering	/	Dissertation I on Material, Structural and Energy Engineering	Castro. J. J.	Course Code	R00450011	R00450021
